Giles Ji Ungpakorn on Crown Prince Vajiralongkorn

Exiled former Chulalongkorn University academic Giles Ji Ungpakorn (for some context, a *New Mandala* interview with him is available here and here) has written a provocative article about Thailand's prospective king. Titled "Why Wachiralongkorn is not a suitable future Head of State", the article is available here in English (and in French, as "Pourquoi Wachiralongkorn n'est pas un futur chef de l'??tat approprié"). It is also available in Thai at this website as "????????????
