

## **Dominic Faulder on 8-8-88**

If you don't have a great deal of time today, but still want to read about Burma on this sad anniversary, I strongly suggest finding a moment to digest [this reflection](#) from Dominic Faulder. He was a journalist in Burma during that tumultuous period, filing stories for *Asiaweek*. If *New Mandala* readers find other great coverage in their wanderings, please feel free to announce the links in the [comments field](#).
