2020	-	-	INS	Indonesia	AUS	Australia	41

Some data presented may differ from statistics published previously due to retroactive changes or the inclusion of previously unavailable data. In addition, resettlement departure figures reported by UNHCR may not match resettlement statistics published by States as Government figures may include individuals who were resettled outside of UNHCR processes. More information about UNHCR's resettlement program can be found at <http://www.unhcr.org/resettlement.html>.
